CHEF LEE AND BEWLEYS BISTRO

It is with regret that we advise members and friends that Chef Lee and his team will be leaving us on 31st July.

Unfortunately insufficient people come in the Club and Restaurant to eat most days and Lee cannot make a living by catering here, so in the words of a familiar saying 'If you don't use it, lose it' and we are the losers.

We are fortunate that Lee has agreed to cover various ongoing bookings after 31st July, such as the 100 Club Party nights and both Probus Club groups monthly lunches until we can find a new caterer and we have plans in place for catering for birthday celebrations, wakes and the like in the meantime.

Clearly at the moment many people are still reluctant to venture outside after all that has happened in the past 2 years and the cost increase in just about every aspect of life is a very big deterrent – hopefully that will change in the months and years ahead and most of us have already lived through similar times – albeit more years ago than we care to remember!

We will keep you updated as and when we have any news but in the meantime will be happy if you want to bring your own food in to have with a drink. We can supply plates, knives, forks and spoons when necessary.

Thank you from the Committee
