

EDDY KEMP

Sadly Eddy Kemp, a much loved Club member, Chrisy's husband and father of Chef Sam, Danielle, Toby and Justin, lost his life to Mediastinal Sarcoma Cancer on March 24th.

There had been a gradual decline in his health since November 2020. In February this year it became apparent how aggressive this soft tissue cancer is.

The service for Celebration of Life is on April 13th at 1045 at The Oaks in Havant, however it will not be possible for Club members to attend due to Covid-19 restrictions, but nearer the date I hope to be able to provide a link so that you can view the service as it happens. Please watch the Club website for details.

The family have set up a tribute page, to raise money for the relevant cancer charity and where friends and Club members can leave their tributes to Eddy and the memories that they have of him.

Here are some words from Eddy's family:

'This is the link to the tribute page:

Our chosen charity for donations is Sarcoma UK. We really want to help raise awareness of this really rare and aggressive type of cancer.

People can then use the tribute page to:
